

CYCLISTS MAKE TRIP TO CLAYTON

GREENCASTLE AND BRAZIL MOTORCYCLE CLUB MEMBERS ARE GUESTS OF C. A. EDMONDSON AT DINNER SUNDAY.

SIXTY-EIGHT WERE PRESENT

Twenty four members of the Greencastle Motorcycle club and twenty four members of the Brazil club were the guests of C. A. Edmondson, of Clayton, at dinner Sunday. The Greencastle and Brazil members left Greencastle about 10:30 o'clock Sunday morning and returned in the afternoon. Between here and Clayton they were joined by other motorcycleists swelling the number of guests to sixty-eight. After the dinner pictures were taken of the entire party. The dinner, which was a delicious, well-furnished country meal, was served at the Little House, in Clayton.

The Greencastle motorcycleists in going to Clayton went by way of Danville. The road from Danville to Clayton was very rough so the return trip was made by way of Amo, Coatesville and Delmar. The boys found this road in excellent condition. The motorists were in pairs, or singly, and left the towns about ten minutes apart. The total distance covered by the riders was about sixty miles. There were no accidents to mar the pleasure of the trip. A few small mishaps, such as punctures, occasioned short delays.

Among the Greencastle people who made the drive were: Leslie Vandant, Alvin Irwin, Edgar Erwin, Homer Long, Frank McCabe of Morris, Mr. Carmichael of Clinton Falls, Mr. Kennedy, Harry Sutton, Clyde Wears, Mr. and Mrs. Claude Connett, Vera Elliott, Harold Burk, Raymond Irwin, Lonnie Eubanks and Evan Irwin.

SCHOOL ENUMERATION SHOWS LOSS IN NUMBER.

County Superintendent L. G. Wright has compiled his statistical report of the enumeration of children between the ages of six and twenty-one years, of the city and county. The report shows that there are 5,675 children in the county. Last year there were 5,655, or 20 more. Some of the townships and towns show gains while others losses. In Greencastle there are seven more children between the ages of six and twenty-one years than in 1912.

The following table shows the enumeration, designating color and sex:

Twp.	White	White Col.	Col.	Ttl.
	Mal. Fem.	Mal.	Fem.	
Clinton	135	120		255
Overdale	163	145		308

Moss Hobnobs With Royalty.

Representative Ralph W. Moss, our Fifth district farmer-congressman, is hobnobbing with royalty in Europe according to cables from across the pond. Representative Moss is in Europe as a member of the American Commission which is making a study of the European agricultural co-operation and farmers' credit system.

The members of the commission are doing their first work in Rome and it was in that city yesterday, according to a cable to the St. Louis Globe-Democrat, that the members of the commission attended a reception at the court of King Victor Emmanuel of Italy.

According to the cable dispatch, Congressman Moss, assisted by Dr. Clarence J. Owens, presented the American delegates to the Italian royal family and other nobles of distinction. Mr. Moss is the only representative of Congress on the commission on account of the two senators being unable to go, and it appears he has the distinction of being the head of the commission.

LABORER FALLS INTO ROCK CRUSHER

While at work with a gang of laborers cleaning up the huge crushers at the O. & I. Quarries, west of town, at near midnight Wednesday, John Mills, about 40 years old, fell headlong into one of the crushers. The head of the victim was wedged into the bottom of the great hopper and it took several men to pull him out. Mills was unconscious when taken out and it was several hours before he regained consciousness. This morning he was taken to the Deaconess Hospital in Indianapolis.

"JIMMY" HARRIS DAMAGE SUIT IS VENUED HERE FOR TRIAL

Clay Circuit Court Sends Two Cases Here This Morning on Changes of Venue.

Two Clay county lawsuits, one of them the case in which James B. Harris, our own "Jimmy," is plaintiff, was sent here this morning on changes of venue.

"Jimmy" is suing the Brazil News-Democrat Publishing company for \$4,000 damages. Last fall he was getting up a little book called "Rating of the Tax-payers of Putnam County." Harris sells these books to merchants and mail order houses, especially mail order concerns. "Jimmy" took the books down to Brazil to be printed. He contracted with the Brazil publishing house, he says to do the work for \$90 and to have the books completed by January 1st, last. When Harris went to get the books they were not completed. So, to get compensation for not being able to fill his orders, "Jimmy" filed suit for \$4,000 damages. He alleges that the firm, after agreeing to do the work for \$90, then refused to fill the order for less than \$135. "Jimmy" further alleges that he contracted to sell 400 of the books for \$10 each, or \$4,000. Besides this contract he had made orders to sell sixty more at \$2. So, after summing up the situation, he says that the failure of the Brazil company to fill the contract caused him to lose \$3,600 in profits and in return prays and then demands judgment in the sum of \$4,000.

The other suit venued here is one of those famed horse case trials. Luke W. Duffy alleges that Lewis M. McNutt sold him a Percheron stallion that afterwards failed to come up to requirements. He traded some cows, valued at \$55, for the stallion. After Duffy had owned the stallion for a short time, he alleges, he discovered that the former owner, Mr. McNutt, had put medicine in the animal's eyes to make them appear perfect, when in reality the horse's eyes were defective. Further than that, Duffy alleges that the horse's "wind" is bad and that has other defects. He asks \$640 damages.

Mrs. Taz Gibson is critically ill of pneumonia at her home on south Indiana street.

Ben Lisby, one of the county's pioneer farmers, was here from his home near Coatesville Tuesday. Walter Keller, who has been assisting in the county treasurer's office for the past few weeks, has gone to visit his parents Mr. and Mrs. William Keller, who live near Belle Union.

JENKINS CASE NEARING END

DEFENDANT TAKES STAND TO DEFEND HERSELF AGAINST ACCUSATIONS OF DIVORCED HUSBAND.

HE DID THE ADVERTISING

The case of Joseph Jenkins against his former wife, Mrs. Rhoda Belle Jenkins, in which he asks damages for an alleged breach of contract, and which has been on trial in the circuit court since the middle of last week, probably will be finished tomorrow. Mrs. Jenkins was on the stand all day Monday. Her direct examination was finished about 3 o'clock and then Attorney Allee began the cross-examination.

Mrs. Jenkins testified that it was her former husband who advertised for a soulmate; not she, as had been said. She said that she saw the advertisement in a newspaper and answered it. Following the time she answered the advertisement and before formally meeting Mr. Jenkins she wrote him several times.

By a previous arrangement they met. Several months later she testified, they were married. They lived happily for a time and then she obtained a divorce. Some months after they were divorced they again began living together. She alleged on the witness stand that Jenkins had represented that the divorce had not been legal. She maintained that on the belief that the divorce proceedings were illegal she consented to live with him.

It was on January 15, 1912, she said, that they separated the last time. She said that Jenkins told her she was not his wife and that she had been living an illegal life. She immediately left him, she testified, and later ordered him from her farm. Some time after that the suit was filed by Mr. Jenkins.

Mrs. Jenkins was on the witness stand almost all day. Monday afternoon a number of letters which Mrs. Jenkins had written. Mr. Jenkins after they had been divorced and before the time they again lived together, were introduced. The letters were somewhat sensational. Tuesday morning Mrs. Jenkins was cross-questioned by Attorney Allee in regard to her knowledge of the divorce. She testified that when she last lived with Mr. Jenkins she did not know whether she was his wife or was living with him illegally. Later she said that even now she does not know whether the divorce was annulled.

Attorneys in the case of Joseph Jenkins against his former wife, Rhoda Belle Jenkins, which has been on trial in the circuit court for the past week, stated on Wednesday that the last evidence probably would be introduced late that evening. The arguments were made Thursday afternoon and then the case went to the jury.

Mrs. Jenkins was on the witness stand for a few minutes that afternoon. She again told of having met Jenkins through an article in a newspaper in which he advertised for wife. Regarding the first evening he called on her, however, she denied the statements made by him that he stayed until 2 o'clock the following morning. He left the house at 10 o'clock, she testified. In regard to their correspondence after they were divorced, she testified that when she wrote it was in answer to letters written by him; that he had taken the initiative.

Word has been received here announcing the death of J. G. Lawter at Hendersonville, N. C. of heart disease. Mr. Lawter formerly lived here. He came to Greencastle from North Carolina, several years ago. Three years ago, he returned to his old home. While a resident here he made many friends. He leaves six children: Mrs. W. O. Morris of Ladoza, Mrs. Fred Eader of Anderson, Mrs. J. W. Tucker, Mrs. Harry Dickey, Miss Nellie Lawter, the latter three of Greencastle, and W. G. Lawter of Hendersonville.

Better Mail Service Here.

A number of important changes in the Vandalia schedule and addition of new mail trains which is expected to go into effect on the Vandalia Sunday, May 25th, will give much improved mail service which has been badly needed for many years.

Authentic information on the changes to be made cannot be had at this time as the new schedule has not been worked out yet but it is understood that two mail cars which will handle nothing but first class mail will be added to west bound train No. 21 and that the running time will be changed so that the train will reach Greencastle at 11:35 a. m. instead of 12:59 p. m. as at present.

The New York mail train No. 41 which is due here at 1:58 p. m. will also be changed and will arrive here just ahead of No. 7 which is due here at 4:39 p. m. No. 41 will then be practically an exclusive second and third class mail train.

The east bound New York Pullman train No. 30 which passes through this city shortly after 5 p. m. but does not stop will also be made a mail train, two mail cars for first class mail being added and it will catch a letter pouch at this city.

The changes in the mail service have been made necessary on account of the rapid increase of the parcel post business. The regular mail trains are now so heavily burdened with parcel post mail that they are unable to keep up their schedule and it has made necessary the separation of the letter mail from the newspaper and parcel post mail. In the near future it is probable that letter trains and newspaper and parcel post mail trains will be run separate on all important railroads in order not to delay the first class mail.

FINED FOR GIVING LIQUOR TO MINORS

Frank White, of South Greencastle, Before Mayor Miller This Morning, Charged With Giving Whiskey to Three Boys.

Frank White, a south Greencastle young man, was before Mayor Miller Wednesday and was fined \$20 and costs, on the charge of giving liquor to Joe Sims, Albert Nichols and Riley Finchum, all minors. He pleaded guilty. Part of the fine was paid and the remainder was stayed. White and the three boys were arrested at about 10 o'clock Tuesday night in the south end. They then were intoxicated and spent the night in jail. White told the mayor this morning that he had gone to Brazil and gotten the liquor which he gave to the boys. White, himself, is only a little more than 21 years old.

RIGID LAW COVERING SALE OF MORPHINE AND COCAINE

The last legislature of the state passed a law covering the illegal sale of morphine, cocaine and other drugs which makes the punishment very severe. Local druggists, at least several of them, after reading the law, which is now in force, have destroyed their stocks of the drugs and no longer will handle them. One druggist stated this morning that he would not allow any the drugs in his place of business for fear that he or a clerk might accidentally allow a customer to buy them.

The law prescribes that a druggist can only sell the articles on a prescription from a registered physician, and the subscription must set out that the article is to be used for medicinal purposes. The pharmacist must also be registered. The pharmacist once each month must report to the state board of pharmacy the amount of drugs sold.

For a physician, druggist or any other person to give or sell cocaine or morphine to any person for other than medicinal purposes, under any consideration, is an offense. Persons violating the law and found guilty on the first offense are liable to punishment of a fine of from \$25 to \$500 and imprisonment in the county jail for 60 days. For every succeeding offense the offender upon conviction, may be fined \$1,000 and sent to the state reformatory for a term of from 1 to 8 years. If he is a physician, druggist, dentist or veterinarian, the revoking of his license is added to the punishment. Physicians say that Greencastle has several users of drugs and that the new law will no doubt cause them either to leave or to stop the habit.

MUCH MORE FOR TEACHERS TO DO

STATE CONFERENCE WILL HELP THEM PREPARE FOR VOCATIONAL SCHOOLS—PURPOSE OF JUNE MEETING AT INDIANAPOLIS IS TO GIVE SCHOOL OFFICERS AND TEACHERS INFORMATION.

ARE NOW IN THE DARK

Both town and rural school teachers are awakening to the fact that if they are to hold their positions they must acquire some new qualifications, for lines of work which are entirely new to them must be taken up in the schools next fall when the vocational law goes into operation. This fact, too, is causing the township trustees, county superintendents and other school authorities a good deal of concern. All over Indiana the public and the school officials are much interested in giving the schools a good start under the new law, but it is evident that the teachers will, during the coming summer, have to make diligent preparations for it if this kind of start is made.

Since the law requires industrial trades to be taught in town schools and agriculture in rural schools, teachers who have largely given their attention to "reading," "riting," and "rithmetic" will find much more is going to be required of them. In many city schools women will have to become teachers in the use of the handsaw and other mechanical tools, and young men and women teachers who hold places in the rural schools will find that they must teach treatment of soils, seed testing and other farming subjects. Under the new law, too, men teachers in rural schools will have to teach domestic science and home economics, unless the school authorities make provisions for special teachers who are especially trained in the subjects. Altogether

the new law is going to upset old traditions in Indiana schools.

The new law, too, which provides for appointment of expert farming agents in each county, is expected to turn country school houses into real social centers, for among the many duties of these agents will be to organize boys' and girls' clubs, farmers, institutes, give lectures on agricultural and country life topics, and all of these affairs will be held at the rural school houses.

School officials and teachers over Indiana are now considerably in the dark as to how to proceed under the vocational law. This is one of the reasons why the Indiana Bankers' Association has called a state conference on agriculture and country life in Indiana, for June 3 and 4, at Indianapolis. The conference will, through many speakers, give the men and women in charge of the schools much information on how to make the new law successful in its operations. It is evident that the conference will be very largely attended by school officials and teachers to get this knowledge. The conference is to continue through five sessions, which will be open to the public without charge.

"Signs of the Times."

At least the signs of the present time, especially Wednesday, were as follows.

Four DePauw students leaving for the direction of Walnut Creek—small bundles under their arms.

Numerous straw hats, some of last year's vintage and some new.

The buzzing of electric fans in several of the business houses.

Coatless and hatless men and women by the score.

TO INVESTIGATE DISEASE IN PUTNAM COUNTY

A. F. Nelson, state veterinarian, and his deputies at the order of Governor Ralston, went Wednesday to the farm of J. T. Higgins, near New Maysville, Putnam county, to make a final investigation of the condition of Higgins's herd of cattle, which he bought at the Indianapolis stock yards in January, and which finally brought on a controversy which Governor Ralston was called on to settle.

In a meeting in the Governor's office Tuesday, at which a dozen Hendricks and Putnam county farmers, Dr. Nelson and others were present, the story of the deaths of a half dozen animals from some unknown disease and of the unsuccessful efforts of Higgins to get rid of the entire herd came out.

After Higgins bought the cattle he placed them on his farm in Putnam county near the Putnam-Hendricks line. The next day one died. Lung trouble of some sort seemed to be affecting many members of the herd. Deputies of the state veterinarian were called out. Dr. W. E. Coover then being the state official. The deputies did not pronounce it a contagious cattle disease. They told Higgins to put his animals out on a green pasture, but in a manner they established a quarantine on the animals, forbidding Higgins to attempt to drive them to the Indianapolis market without having a government inspector first pass on them.

Then the neighbors of Higgins set up a howl. Nine farms touched Higgins's farm. The neighbors said he should not be permitted to let the animals out on pasture. The cattle still were dying. The new state veterinarian, A. F. Nelson, had taken office as an appointee of Governor Ralston. Higgins offered to drive all the cattle back to the Indianapolis stockyards and sell them as quarantined cattle. This the state authorities would not permit. He then offered to drive them to an abattoir outside of Indiana and have them slaughtered. This did not suit the state authorities, either.

Meanwhile Dr. Earl Ferree, a Danville veterinarian, suggested to Higgins that the milk of the cows ought to be tested by the state authorities. He was told by the state board of health that a tuberculin test for his cattle would show a great many more results than an analysis of the milk and that in few instances could the milk of cattle, owned privately, be analyzed at the state laboratories, because of the great press of work there.

So Higgins appealed to the Governor. He was keeping his cattle in barns, couldn't turn them out to pasture, couldn't sell them and didn't know what to do. The meeting in the Governor's office resulted in the Governor suggesting that the state veterinarian and his deputies make a thorough inspection of the cattle, preparatory to ordering immediate action taken, either to relieve Higgins, or to ascertain if the cattle were sick, and condemn them if they were found suffering from contagious disease.

In case the cattle were condemned and ordered killed a state statute gives the state authorities power to indemnify Higgins for his losses to some extent.

Cook-Mathes Wedding.

John D. Cook, son of Mr. and Mrs. John Cook, and Miss Nellie Mathes, daughter of Mr. and Mrs. C. F. Mathes, were married at the Locust street church immediately after the evening services Sunday night. Rev. B. D. Beck, pastor of the church, officiated. The wedding took place in the presence of the immediate relatives of the bride and bridegroom. Mr. and Mrs. Cook will reside on South Locust street. Mr. Cook is employed at the Cook Hardware store and is well-known among Greencastle people. Miss Mathes is a favorite among the young Greencastle people. Mr. and Mrs. Mathes have the congratulations of a host of friends.

DEPAUW LOSES IN THE DUAL DEBATE

Two DePauw debating teams were defeated by Indiana university debaters Friday night. One debate was held at Indiana university and the other in Meharry Hall. Large audiences heard the dual debates, which were on the question, "Resolved, That the State of Indiana should adopt a system of compulsory accident insurance, to be applied only to industrial wage earners, constitution waived." The DePauw team here had the affirmative and DePauw representatives at Indiana the negative. DePauw lost here by a vote of two to one and at Bloomington the judges vote for Indiana was unanimous.

At DePauw the debaters: Indiana, George Gibson, Ernest Force and Wilbur Wilkie; DePauw, Don Burk, Ivan Hale and Howard Ellis. The debaters at Bloomington were: Indiana, Everett Lett, William Maurer and George Geoble; DePauw, George Clark, Edwin Friedrich and Cecil G. Appleman.

Judges at the Bloomington contest were Henry P. Chandler of Chicago; Harry Miesse, secretary of the Indiana Manufacturers' Association of Indianapolis, and Prof. A. Gates of Miami University, Oxford, O. Judges at DePauw were Prof. H. B. Alden of the University of Illinois, Prof. John S. Kenyon of Butler College and Hugh L. Miller of Columbus.

It is not often that a DePauw debating team loses to Indiana and the double defeat Friday night was a surprise.

SIGMA CHI FRATERNITY'S COMMENDABLE PRECEDENT

The announcement that the Sigma Chi fraternity would observe Mothers' Day in that the mothers of the fraternity members would be the guests of honor at a reception Saturday evening and a dinner Sunday noon, sets a precedent that is truly commendable. The events will take the place of the annual formal party given by the fraternity. Saturday evening the mothers of the fraternity members will be the guests of honor at an elaborate reception. The other guests will be the faculty members, town alumni and a few university girls, the latter volunteering to help entertain the mothers. Sunday the mothers will be the guests at dinner at the fraternity house. No other guests will be present. Never before has a DePauw fraternity or sorority given a similar event. The formal parties have been and are still the main social events given by the organizations. At these the guests, or most of them, are college students. It has been said that college students, most of them attending school from some distance from their homes and their parents for the time being forget the debt due their mothers and fathers. The events to be given by the Sigma Chi fraternity tend to disprove the statements.

PATTERSON AGAIN BEATS ROSE POLY

In a pitchers' duel between "Pat" Patterson, the veteran DePauw slab-artist, and Neff, the Rose Poly star twirler, the Methodists Friday afternoon annexed the only game of the season between the two teams. The game was staged on McKee field before a large crowd. A number of high school students and prospective DePauw people were in attendance, being the guests of DePauw students. Although DePauw scored only once, the one score was sufficient, Patterson preventing the Poly men from crossing the home base. Friday was the last time Pat and Neff will battle for college diamond honors. For the past three seasons Patterson, piloting the DePauw nine, has won from the Rose Poly boys with Neff at their head.

Patterson had much better support Friday afternoon than was afforded Neff by the Terre Haute fielders, although the Poly fielders by sensational fielding saved the little Terre Haute southpaw several hits on his list. Neff struck out ten men, and at times the DePauw batters were completely mystified. During the entire game the Old Gold batters annexed only three safe hits. Patterson struck out nine men, three of them whiffing the air in the ninth inning.

The infield work of DePauw was airtight. Neff was dependent upon his own work in the infield, however, but handled the work excellently. His work in an ordinary game would have piloted his team to victory. For Rose Poly, Carter and Sheldon did the most consistent work in supporting the Poly twirler, while the support of Patterson was excellent in almost every position. Lewis, catcher, did exceptionally good work behind the bat and his fielding was fast and sure. His quick, accurate throwing kept the Rose Poly men hugging the bases. Score: Rose Poly . . . 0 0 0 0 0 0 0 0 0—0 2 5 DePauw . . . 0 0 0 1 0 0 0 0 0—1 3 3

Batteries—DePauw, Patterson and Lewis; Rose Poly, Neff and Stoms. Umpire—Goodwin.

KNIGHTSVILLE POSTMASTER SUFFERING FROM SMALLPOX

Postmaster Joshua Horsfield, of Knightsville, was found by physicians to be suffering from a well developed case of smallpox Friday morning and was placed under quarantine at his home. His step-daughter, Rose Allen, who was exposed to the disease, was disinfected and vaccinated and placed in charge of the postoffice during Mr. Horsfield's absence. Mr. Horsfield has been ill for several days and Dr. Thornton called in Dr. C. C. Sourwine, county health commissioner, this morning and after an examination they pronounced Mr. Horsfield's affliction to be smallpox. One other member of the family is said to have already had the disease and as hundreds of people have been exposed a further outbreak of the contagion is feared by the physicians.

Mr. Horsfield's troubles seem to come in bunches as Sunday night the postoffice was destroyed and Mr. Horsfield was painfully burned in trying to save the mail and fixtures from the postoffice.

Death of Mrs. Ed Ash.

Mrs. Della Ash, wife of Edward Ash, died at her home early this morning. Her death was due to cancer. The funeral services were held at the home Monday afternoon at 1:30 o'clock. Rev. L. A. Beard officiated. Mrs. Ash leaves a husband, three children, two sisters and two brothers.

Services at Christian Church Sunday.

Both morning and evening services were largely attended Sunday at the Christian church. The Modern Woodmen order attended the morning service. The sermon developed the thought and showed what part the mothers have had in the building of the nation.

The hymn service given in the evening was one of the strongest ever given in the Christian church of this city. As soon as the hymns were placed upon the canvas the audience caught the inspiration, and really lived the sentiment of the hymns while singing them. Those who participated in the worship were: Mrs. Frank Hays, Charles McGregor, E. R. Bartley, Robert Smith, Paul Smith, John Weik, Mrs. L. A. Beard, Mamie Alsbaugh, Mrs. Roy Abrams, Miss Belle Eskridge, Margaret Kreigh, Rev. Ray Jones, Louise Abrams, Vera Kroft, Grace Sellers, Mr. Caldwell, Joseph Allen, Jr., and Mr. Conklin and Mr. Wright were all at their best.

The offering made by the congregation was in keeping with the class of service rendered, in fact it was an enjoyable hour of worship and left a deep impression upon the hearts of all present.

ENGAGEMENT OF MR. O'HAIR AND MISS SMITH ANNOUNCED.

Assistant Cashier of Central National Bank and DePauw Graduate to Wed in Fall.

The engagement of Fred L. O'Hair, son of Mr. and Mrs. Robert O'Hair, and Miss Iva Smith, of Evansville, was announced at Evansville, Saturday. The wedding will occur late in the summer or early in the fall. Miss Smith, who is a graduate of the DePauw School of Music and a member of the Alpha Omicron Pi sorority, has many friends in Greencastle. Miss Smith is a talented singer and while in school here, in addition to participating in many of the university concerts and musicales, sang in the choir of the College Avenue church. Mr. O'Hair is a graduate of DePauw and a member of the Phi Psi fraternity. He is now assistant cashier of the Central National Bank.

The Saturday edition of an Evansville paper has the following concerning the announcement:

"The announcement of the engagement of Miss Iva Nolan Smith, daughter of Rev. and Mrs. George M. Smith of 813 Adams avenue, and Fred Lockridge O'Hair, of Greencastle, Ind., was the feature of the luncheon given Saturday by Miss Smith for her guest, Miss Mabel O'Hair of Greencastle. The marriage will be in the early fall.

"The table was decorated in lavender and pink, roses and sweet peas being the flowers arranged in vases down the length of the table. Pink candles burned in crystal holders.

"At each table was a small basket of sweet peas as favors, the place cards being hand painted heads, made by the hostess. The loes were in the design of cupids and bears, carrying out the pink and white color scheme. The announcement which came as a surprise to the guests, were written on little cards hidden in pink satin slippers at each plate.

"After the luncheon the guests enjoyed a contest in hemming dish towels for the hostess, trophies being awarded to the quickest. The rooms were decorated in roses. Miss Anne Cannon of Mt. Carmel, and Miss Barbara Root of Waterbury, Conn., Miss Kathryn Lewis were present. Mr. O'Hair is a banker of Greencastle.

ENGINEERS GIVEN INCREASE.

Monon Employees Reach Wage Agreement With Road.

LAFAYETTE, Ind., May 10.—The 200 engineers employed on the Monon Railroad have been granted an increase of 11 per cent in wages. Engineers Charles Bane and Fred Bryant of Lafayette, John Conners of New Albany and John Murphy of Indianapolis held a conference with General Manager Westfall in Chicago and all difficulties between engineers and the company were adjusted. Some of the men will receive back pay which will amount in some cases to \$350. The Monon was one of the roads affected by the increase asked by the engineers of forty-two Eastern roads more than a year ago.

"Babe" Conklin Coming.

President John T. Powers of the Federated Baseball League announced last night that he would order "Babe" Conklin, of Greencastle, one of his umpires, into Indianapolis this week, possibly for the Cleveland series. Conklin is well known in Indianapolis as a player and umpire. He got his spring college ball at DePauw—Indianapolis Star.

HIGH SCHOOL FRESHMEN ENTERTAIN OTHER CLASSES

The members of the Greencastle high school freshman class entertained the members of the other classes and the faculty of the high school on Friday evening in the high school building. The building had been decorated with snowballs, dog wood blossoms and Japanese lanterns for the occasion.

Early in the evening the fortune telling booth caused much merriment. Another thing which caused no amount of laughter was the drinking fountain, which Prof. Johnson had "fixed" with electricity so that every person who took a drink received a slight shock.

Later in the evening a musical program was greatly enjoyed. A violin solo, by Lloyd Skinner; readings by Miss Marjorie Campbell and Miss Lou Shouse and pianoforte numbers by Miss Marie Merriweather and Miss Alda Randel constituted the program numbers.

The latter part of the evening was devoted to games and dancing. Ice cream cones were served as refreshments.

"Yes, our new wagon's a Studebaker
—the only kind we KNOW"

"The Studebaker idea has been in our family for sixty years. We have never thought of buying any other kind of a wagon."

"It's true, we're continually being offered other wagons costing a little less, with lots of promises as to what they will do. But we know in our family what a Studebaker will do. A few dollars difference in price doesn't mean much. It's the service a wagon gives that we consider most."

"Long service for a fair price means more every time than short service for a few dollars less."

"That's why we stick to Studebaker—and 'Stick to Studebaker' is a pretty good motto for a man who uses wagons."

"Studebaker wagons are built of good stuff. They're made right by people who've had years and years of experience in making them right—people who are trusted the world over."

"Studebaker wagons last, because they're made to last."

"Look out for the dealer who tells you his wagon is just as good as a Studebaker. That's my advice after a good deal of experience—and the experience of all of my people. You get a Studebaker and you've got a safe investment."

Personal.

The infant son of Mr. and Mrs. Dunnington died only a few days after its birth this morning. The body was buried in Forest Hill cemetery this afternoon.

Mr. and Mrs. Russell Crouch, of Omaha, Wash., are here for a visit several weeks. Mr. Crouch is a former Greencastle boy and Mrs. Crouch a former DePauw student.

Rev. Forest C. Taylor of Evansville, Ind., will preach at the Presbyterian church, Sunday, May 11th both morning and evening. The members of the church and congregation are cordially invited to hear Rev. Taylor.

W. Jones, Clerk of Session. Aaron M. Lisby, of Coatesville, has been awarded the contract for the construction of the Alfred Cox and sons road in Lincoln township, Hendricks county. The road will be 1.5 miles long, and the contract price for its construction, as made in Mr. Lisby's bid, was \$25,750.

The corner stone of the new Hendricks county court house will be put in place at 10:30 o'clock on the morning of May 29. The Masons will have charge of the ceremonies. There will be a parade and other festivities. A special place will be reserved for the residents who witnessed the laying of the corner stone of the old court house.

Rev. Obenchain was in Coatesville a few hours Monday while returning home from his Sunday appointment near Belle Union. It may be that Mr. Obenchain will be called to devote part of his time to the Baptist congregation here, as Rev. J. E. Sherrell is thinking of giving up his work in account of his multitudinous duties in other charges.—Coatesville Herald.

Miss Ida Overstreet, district president of the Kappa Alpha Theta Sorority who was the guest of the Butler College Chapter the first of the week, has returned to Greencastle.—Indianapolis Star.

On Wednesday evening, May 7th the Knights of Pythias lodge, No. 46, with their many friends celebrated their sixth anniversary in their hall. Anderson McCoy, presiding officer, spoke in behalf of Greencastle Lodge No. 46. His remarks were impressive and should be considered by all present. Mrs. Jessie Nichols spoke in behalf of Corinthian Court, No. 38, an auxiliary of the Knights of Pythias order, and much credit is due her in the way she handled the subject. The out-of-town guests were E. G. Tidington, Grand Chancellor Commander of Indiana, Evansville, Ind., and W. H. Scott, Grand Attorney of Indiana, Indianapolis, Ind. Henry Gibbs, who has been connected with the Indianapolis News for the last few years but now working for the Indianapolis Ledger, was also a guest. Refreshments were served and a good time in general was had.

Edwin McCracken and Prof. Orla Smith, both of whom are from Monrovia have been admitted to the practice of law at the Morgan county bar. The motion for their admission was made by Prosecuting Attorney Frank Rariden. Mr. McCracken is a student in the Indiana Law School at Indianapolis but will graduate next month. He will open an office in the I. O. O. F. block and will be with Messrs. Smith, Johnson and F. M. McNair, who have insurance offices in the rooms over the First National bank formerly occupied by Attorney S. C. Kivett. He is a son of James McCracken, of Monrovia, and a brother to Prof. A. W. McCracken, of the city high school. Prof. Smith is a graduate of the law department of Indiana University. He is teaching in the Monrovia high school, which will close in a few days, after which time he will come to this city and will be associated with Prosecuting Attorney Rariden. Both young men have many friends who will wish them success in their chosen profession.—Martinsville Reporter.

Charles Huffman and Jesse Hughes Friday morning received postals and souvenirs from A. B. Hanna, who is aboard the Shriner Special enroute for Dallas, Texas. The souvenir was in form of a pod of cotton, fully developed. The pod was in a pastboard box made especially for sending cotton souvenirs and was a unique advertisement. It was sent from Pensacola, Florida.

Gilbert Girtton, a farmer living about a mile and a half northwest of Reelsville, fell from the loft of his barn Thursday evening and was severely injured. Girtton had gone into the loft to throw hay to his stock, when he accidentally stepped into an opening in the hay loft floor. A long gash was cut over his right ear and his right arm was badly sprained in the fall.

The first bright spring day usually brings the gypsies into Indiana and Putnam county is never left off the route. The first band made its appearance today and the women members of the tribe were down town soliciting that they be allowed to tell fortunes. These people are usually not very desirable, as their ways are different from those of the Americans, and they are always open to suspicion of pilfering. The last legislature passed a law that will, if rightly enforced, seriously affect, if not entirely put a stop to the practice of this class of people. As this law will be of interest to people residing in town or country, we will publish its provisions in full as follows: Section 1—It shall be unlawful for any band of gypsies, wanderers or other person or persons to camp in tent, wagon or otherwise on any public highway in the state, or lands adjacent thereto, without the consent of the owners of such adjacent lands abutting on the highway where such camping place is made. And it shall likewise be unlawful for any band of gypsies or for any person or persons belonging to or being a member of, or associating, or consorting with any such wandering nomadic band of gypsies, to submit by begging or charity or fortune telling, or pretending to reveal hidden secrets, or by practicing questionable arts of legerdemain, or to live in idleness and having no visible or known means of earning a fair honest and reputable livelihood. Section 2—Any person or persons violating the provisions of this act shall be deemed guilty of a misdemeanor and upon conviction shall be fined not exceeding \$25 or imprisonment in the county jail not exceeding thirty days, or both.

Obituary.

Mrs. Mary Stoner Burnett, youngest daughter of a revolutionary soldier, Peter and Eva Stoner, was born in Chattam county, North Carolina, May 15, 1814, and died at the home of her daughter, Miss Julia A. Gray in Hoddson, Kansas April 18, 1913, being at the time of her death ninety-eight years, eleven months and four days old. She was married to Jessie Burnett in 1831 and to this union was born fourteen children. Her husband eight children have preceded her to the better world, and six children: Peter, Iram and George Burnett, of Blue Rapids, Kansas; Mrs. Julia A. Gray, of Hoddson, Kansas; Mrs. Eva Williams, of Greencastle, Ind., and Mrs. Ellen Schamp of Burwell, Nebraska, and seventeen grand-children survive her to mourn their loss. Mrs. Burnett, with her husband and parents, who were also born in North Carolina, moved to Indiana in 1838. After the death of her husband she came to Kansas and made her home with her daughter Mrs. Gray. She was converted in 1861, united with the Primitive Baptist church and lived a devoted Christian life for fifty-two

years. Funeral services were conducted by Rev. A. S. Reeves of Jamestown, Kansas, at the Hickory Grove Free Baptist church Sunday afternoon, April 20th and the remains were laid to rest in the Blocker cemetery.

Some time during Tuesday night some one visited the back porch at the home of Dr. and Mrs. C. T. Zarling and robbed their ice chest of all of its contents.

The death of Mrs. Margaret Anna Simmons occurred at the home of her daughter, Mrs. Cain Wed. morning. Mrs. Simmons leaves two sons and three daughters. Mrs. Simmons was 73 years old and has been a life-long member of the Bethel A. M. E. church. No definite arrangements have been made for her funeral.

LACK OF SEWERS
CAUSE COMPLAINT

W. P. LEDBETTER AND OTHERS
MAKE STRENUOUS OBJECTION
TO CONDITIONS AT COLLEGE
AVENUE AND WASHINGTON
STREET.

THE COUNCIL TAKES ACTION

Sewer conditions in Greencastle are apt to cause the city council to take decisive action in the near future, judging from a little scene enacted at the city council meeting Tuesday night. W. P. Ledbetter, who resides at the southwest corner of Washington street and College avenue, was present and made a strenuous objection to a condition prevalent in his neighborhood. In fact he went so far as to intimate that the city would soon be defendant in a damage suit if the affair is not looked into and remedied.

A drain pipe carrying sewage runs through his back yard from the alley, emptying into the gutter on College avenue. The sewage causes a stench, is detrimental to health, depreciates the value of the surrounding property and is generally a nuisance, according to a petition presented by Mr. Ledbetter. The petition was signed by Mr. Ledbetter, Dr. A. E. Ayler, Mrs. Mary B. Wright, Mrs. Cornelia Barwick and Dan W. Kesterson.

When Mr. Ledbetter made a brief statement as to the conditions as they now exist, Councilman Bittles raised an objection to the council taking any action, declaring that it had no jurisdiction in the matter. It seemed the general opinion of the mayor and other councilmen however, that inasmuch as the council absolutely controls the streets and alleys of the city, it also had jurisdiction over conditions existing in the city's streets and alleys.

Mr. Bittles objection was given little consideration and a motion, which itself was made by Councilman Bittles, instructing a committee of the councilmen, the city health officer and the street commissioner to investigate, was passed. If it is found that the drain leads from vaults and is used for other purposes than those allowed, it will be sealed up. The mayor said that should this action not have the desired effect that further steps would be taken.

The new street lighting system was then discussed. Since the poles for the new system are being placed several complaints have been made. Some residents want lights at certain places, others don't want them, and so on. The only change made, however, was the ordering of an additional light on Anderson street between Arlington and Wood.

S. A. Hays was given permission to construct a two-story frame residence on Seminary street between Bloomington and Arlington, F. T. Crawford permission to build an addition to his restaurant and A. J. Cosner the required right to excavate under the walk on College Avenue immediately west of East College for the purpose of laying a drain.

Following this the claim ordinance which follows, was passed:

AIDS THE DRESSMAKER.

Goods Supported on a Holder Clamped to Table.

A very simple and practical aid to the dressmaker is a device called a "work-holder," the invention of an Indiana woman. It was designed especially to assist the sewer in basting and similar work. As shown in the illustration, it consists of a holder, which can be instantly clamped to the work-table or other near-by object. At the top of the clamp is

HOLDS GOODS WHILE SEWING.

A large needle, which is supported rigidly upright in the holder. In use one end of the piece of goods to be sewed is slipped on the needle and the goods stretched with the left hand. The operator is thus able to sew freely and quickly with the right hand. As one part of the piece of goods is sewed it is slipped off the needle and advanced to the next point.

Perfect Fitting, Shirt Waists.

By using the following suggestion anyone who makes her own shirt waists may have a perfect fit without the trouble of standing before a glass to try on.

Have a strong lining made, fitting you as perfectly as a princess gown with long, tight sleeves, sewed in without gathers and fitting the arms smoothly from shoulder to wrist.

Have the waist fitted snugly over the hips fully six inches below the waist line, and even all around. A straight, high collar just the size of the neck is sewed to the waist.

After stitching up the opening, "whether back or front," from neck to bottom, tack the bottom to a round piece of board that just fits it, or sew to thick cardboard.

Now commence and stuff it firmly, just as you would a rag doll, filling and rounding out all parts, sleeves and all, up to the collar, placing a stiff piece of cardboard inside to make the neck firm, and sewing a round circle of cardboard at the neck where the head should be.

Now you have a perfect figure of your own measurements to stand before you on your sewing table to fit your waists on. It is far more satisfactory than a form bought that very seldom corresponds in all parts with anybody's figure, and has the advantage of costing nothing.—Boston Post.

HOME COOKING.

Boiled Mutton.

Wipe the leg of mutton with a wet cloth, put into a kettle, cover with cold water and bring slowly to the boil. Simmer all the way through, as hard boiling toughens the meat. Allow fifteen minutes to each pound of mutton. Fifteen minutes before removing from the water, add salt to taste. Take from the liquor, drain very dry and serve with caper sauce.

Baked Tomatoes.

Wipe firm tomatoes, cut a little piece from the top of each, fit into this a round of American cheese and lay a bit of butter on top. Dust with salt and pepper, set aside by side in a roasting pan, pour a little salted water or weak stock about the base of the tomatoes and bake until tender, then transfer carefully to a hot dish.

Canned Lima Beans.

Shell the beans, lay in cold water for an hour, drain, cover with salted boiling water and cook until tender. Drain the beans, pack in glass jars boil up the liquor in which they were cooked and fill the jars to overflowing with this, then seal at once.

FASHION'S MANDATE.

Colored valencinnes all over is quite a novelty in blouses. Dyed naturally, but none the less lovely for that.

Many of the hand-embroidered batistes have inserted bands and patterns of pale-colored batiste laid in tucks.

Of great height are the combs and one of the most striking, of amber, has a butterfly of brilliant inserted in the top.

Wool and silk volles are to be worn again and are trimmed with quillings of ribbon or embroideries and lace insertions.

Princess frocks of black velvet, each seam outlined with jet, worn by the young contingent, assume a Gibson girl air. Such a gown is usually accompanied by a big black picture hat and a white feather boa.

MOTHERS THE GUESTS OF SIGMA CHI FRATERNITY.

The Sigma Chi fraternity entertained in honor of their mothers Saturday evening at their home on Locust street. About one hundred twenty-five guests were present including faculty members, town alumni and DePauw girls who assisted in entertaining.

As the guests arrived they were received by Mrs. Silas Hays, Mrs. O. F. Overstreet, Mrs. B. F. Corwin, Foss E. Smith and Hugh B. Price. After about an hour of visiting with the mothers the guests were given white carnations, the National Mother's Day flower, and seated for the following program:

Vocal Solo.
The Old-Fashioned Mother .. Olcott
Mother Machree .. Olcott
Mr. Ralph Cook.
Violin Solo.
Gavotte and Musette .. Ranegger
At the Brook .. Boisdeffre
Oreale .. Cui
Mr. Barnum.
Reading .. "Enoch Arden"
Miss Iva Beeson.
Piano Solo.
Sonata Op 7, "Finale" .. Grieg
Miss McCoy.
Flute Solo .. L. Vend
James Wynn.
Vocal Solo.
Could I Love Thee More .. Miller
Mother O' Mine .. Tours
R. G. McCutchan.

Following the program refreshments of ice cream, frozen to represent white carnations, cake and coffee were served. Informal visiting followed this.

The house was beautifully decorated with ferns, hanging baskets, cut flowers and flowering dog-wood.

On Sunday morning the mothers and sons attended church together at College Avenue M. E. church.

A five-course dinner was given especially for the mothers Sunday noon. The menus were bound in white leather with blue and gold cords, the fraternity colors. On the cover was the coat of arms and the words "Mother's Day Dinner." They contained a picture of the sons, a Mother's Day poem, the menu proper, and the place for the signature of each mother. At the close of the dinner Mrs. Binford spoke for the mothers and thanked the sons for the opportunity and pleasure they had had in

being together.

This way of honoring "Mother's Day" is a new one for the fraternity and the school. It was a success in every way and the fraternity is planning to make it an annual affair.

The mothers here were: Mrs. W. S. Smith, Ossian, Ind.; Mrs. W. L. Williamson, Lapel, Ind.; Mrs. Florence C. Binford, Greenfield, Ind.; Mrs. W. C. Niece, Hartford City, Ind.; Mrs. Lottie Filer, Liberty, Ind.; Mrs. Martha H. Whitsitt, New Albany, Ind.; Mrs. J. Beeson, Greencastle; Mrs. A. Peyton, Danville, Ind.; Mrs. Ida M. Clark, Indianapolis, Ind.; Mrs. G. W. Varner, Evansville, Ind.; Mrs. R. A. Ridgeway, Indianapolis, Ind.; Mrs. L. A. Barnett, Danville, Ind.; Mrs. O. F. Overstreet, Greencastle, and Mrs. Carrie Wynn, Indianapolis, Ind.

Harry Hughes, who has been teaching at Fortville, is here to spend the summer with his mother, Mrs. Hughes.

The floor of the lobby of the post-office has been covered with sawdust. The sawdust was placed on the floor to prevent the stone being discolored by oiled tracked in off the recently oiled streets.

If you have not been thinking of building a silo you are not in the procession. Nothing else in farm practice has proven so universally popular as the silo. Ask any man who has a silo and he is an enthusiast in its praise. Ogg and Sherrill claim to sell the best silo for the cost. See them about a Cement Stave Silo, adv.

The little son of the Rev. and Mrs. Pitkin, who reside on east Seminary street suffered a dislocated elbow as the result of another lad tripping him at school Monday afternoon. The children were indulging in a fire drill, when one of the lads stuck his foot out and tripped the Pitkin lad, causing him to fall heavily to the floor and dislocating his elbow.

Miss Era and Miss Edna Bence, who have been spending the winter in Berlin, Germany, will leave that city Thursday for a trip through Holland, Belgium, the northern part of England, Scotland and Ireland, then going to Liverpool. They will sail from Liverpool on May 30 for America, coming by way of Montreal, Canada. They expect to arrive in Greencastle by June 10.

MANY KNIGHTS ATTEND CONCLAVE

GREENCASTLE COMMANDERY SENDS GOOD SIZED DELEGATION TO CRAWFORDSVILLE THIS MORNING.

PROGRAM OF THE EVENT

A special car filled with Greencastle Knights of Templar and their wives left Greencastle with the north bound Wednesday train on the Monon for Crawfordsville. The Montgomery county city was the Mecca for Knights Templar from over this vicinity. The train was well filled with the knights, all dressed in the Knights Templar regalia, before arriving here. At Bainbridge several more members of the local commandery boarded the train that morning, while others drove to Crawfordsville in autos.

The following members of the Greencastle commandery boarded the train that morning, while others drove to Crawfordsville in autos: Richard Cowgill, James McD. Hays, J. T. Browning, S. R. Allee, Dr. Joe Gillespie, Earl Lane, George Crawley, Dr. Stiles of Lena, W. B. Montgomery of Gosport, William Baney, A. A. Lane, David Campbell of Coatesville, Major W. H. H. Cullen, Dr. A. E. Ayler, Raser Bittles, Rev. D. Tillotson, Elmer Crawley, William Houck, Emmett Green, Frank Allee, W. B. Vestal, J. L. Randel, Lou Zaring, Jack Huffman, E. J. I. Proctor. The following from Bainbridge: Al Call, Charles Carver, Frank Bettis, Charles Hughes and Otto Thomas. T. D. Brookshire of Roachdale, also attended.

The ladies who accompanied the knights were: Mrs. Lou Zaring, Mrs. George W. Carver, Mrs. R. Bittles, Mrs. Richard Cowgill, Mrs. Jack Huffman, Mrs. Lammers, Mrs. William M. Houck, Mrs. Ethel Shepard and Mrs. William Baney.

The Crawfordsville Journal of Tuesday gave the following, which includes the program for the two-day event:

Beginning at eight o'clock this evening when the annual banquet of the past grand commanders, Knights Templar, will be held at the Crawford hotel, the annual convocation of the Masonic body will hold full sway of the city. Crawfordsville has been clothed in handsome attire for the important event. Practically every store and business house has been decorated, streamers of black and white, the Knights Templar colors, are strung across the streets of the business section and all is in readiness for the arrival of the visiting knights from cities all over the state. The citizens of Crawfordsville should feel no little appreciation for the efforts of the local commandery in bringing an event of such importance to this city. In past years the annual convocation has always been held in Indianapolis with the exception of one year when Winona Lake was the scene of the meeting.

The program follows:
Wednesday, May 14th.
Details from Crawfordsville Commandery, No. 25, with band, will meet incoming commanderies when notified of their arrival, and escort them to the Masonic temple.

1:30 p. m.—Grand parade to escort the grand commandery to the Masonic temple, at which place the parade will be reviewed by the officers of the grand commandery. The following is the line of March: Parade will form on Walnut street, head of the column resting on Main street. East on Main to Washington, north on Washington to Market, east on Market to Green, south on Green to Pike, east on Pike to Water, north on Water to Main, west on Main to Washington, south on Washington to Big Four tracks and counter march to the temple.

2:00 p. m.—Exhibition drill by Raper commandery No. 1, of Indianapolis, on Washington street, between Wabash avenue and Jefferson street.

2:30 p. m.—Grand commandery will convene in the asylum of Crawfordsville commandery No. 25, at the Masonic temple. Address of welcome will be delivered by P. E. C. Emerson E. Ballard and response by R. E. Grand Commander Charles M. Zion.

3:00 p. m.—Trip to the Country Club for visiting Sir Knights and their ladies.

4:00 p. m.—Buffet luncheon at the Country Club.

8:30 p. m.—Reception and grand ball to the R. E. grand commander, officers, Sir Knights and ladies at the

Masonic temple.

Thursday, May 15th.

9:00 a. m.—Second day's sessions of the grand commandery at asylum of Crawfordsville commandery, No. 25 at Masonic temple.

10:00 a. m.—Automobile ride about the city for the visiting ladies. Automobiles to start from Masonic temple.

The protracted dry spell is causing the farmers of Putnam county considerable inconvenience in getting in their crops. Many farmers are waiting for a good rain before planting their corn as the fields are baked. Quite a damage to the oat crop is reported on account of the drought. A good soaking rain would help the crops and would improve the conditions of the roads.

DEPAUW WINS FROM NORMAL

TERRE HAUTE TEACHERS LOSE 6 TO 3 GAME TO PATTERSON'S MEN ON McKEEN FIELD TUESDAY AFTERNOON.

DEPAUW SCORES IN 1st & 2nd

DePauw won. But DePauw was lucky. Sky-rocket trips and balloon ascensions in the first and second innings lost for the State Normal nine in the DePauw-State Normal game on McKeen field Tuesday afternoon. DePauw won the game by a 6 to 3 score. After the second inning the Normalites played good ball and blanked the Old Gold batters in every inning. But the errors of the Terre Haute lads in the first and second innings were taken advantage of by the DePauw players, who scored four runs in the first and two in the second.

The State Normal lads were shown some classy playing by the Old Gold men. The hit-and-run game usually played by the Teachers was tried time and again yesterday afternoon only to be stopped by the twirling of Patterson or clever fielding. The Normalites began creeping up in the third inning, when they scored one run. Patterson walked a Normal batter. Clark, the Normal catcher and heavy hitting batsman, was up next and sent a three-bagger to the left field fence, scoring the one man on base. The DePauw men tightened, however, and retired their opponents without another tally.

In the fourth inning errors by Har-rls and Rowan gave State Normal another run. The Teachers made their third run in the seventh when Thomas let a line drive go past. The Terre Haute batsman made three bases on the error. The next man up hit, scoring the base runner.

DePauw's runs in the first inning were gained by Normal errors and hits off Crim. Tucker beat out an easy grounder to first, and advanced to second when the Normal third baseman toyed with Thomas' bunt. Both men were safe. Rowan sent an easy grounder down to second. The Terre Haute infielder fumbled the ball with the result that DePauw men filled the bases. Bridges, DePauw's lanky first baseman, who has been hitting the ball around the three hundred mark, was next up and hammered out a two-bagger, driving in three runs. He scored a few minutes later.

Patterson showed himself to be master of the game on several occasions. In the second frame Normal runners were on second and third, getting the bases on errors. Patterson tightened up his belt, looked over the field and decided to fan the next two and take no risks on poor fielding. He did it. Pat showed similar form several times during the game. Slow fielding and errors allowed two DePauw men to get on second and third in the second. Both men scored on a single by Minnick.

The line-up and summary follows:
Struck out by Patterson, 8; by Crim, 6. Passed by Patterson, 2; by Crim, 1. Two base hits, Tucker. Three-base hits, Clark, Knauth.

Normal.

W. H. LARRABEE PASSES AWAY

NEXT TO THE OLDEST LIVING GRADUATE OF ASBURY, NOW DEPAUW, DIES AT HOME IN PLAINFIELD, N. J., TUESDAY.

HERE LAST COMMENCEMENT

PLAINFIELD, New Jersey, May 13.—William Henry Larrabee, editor, author and critic, and one of the oldest graduates of DePauw university, died today at his home here. He was born in Alfred, Me., in 1829, and was graduated from DePauw, when it was called Asbury College, in 1845.

The above dispatch bearing the news of Mr. Larrabee's death was received here on Wednesday, and came as a surprise, none of his friends here knowing of his illness. Mr. Larrabee was well-known to the older graduates of DePauw. Last commencement he was one of the most prominent visitors here. While in the city last June Mr. Larrabee called at The Herald office and gave a brief sketch of his life. Mr. Larrabee during the many years between the time of his graduation and his death, was intensely interested in DePauw affairs. He kept in touch with the progress of the school. For more than forty years he had been a subscriber of the Weekly Herald-Democrat, "just to see what's going on at DePauw and in Greencastle." Mr. Larrabee's only living classmate, William Roy Genung, of Ft. Branch, is the oldest living graduate of the university. Mr. Larrabee was next to the oldest.

Mr. Larrabee was given his A. B. and A. M. degrees by DePauw, then Asbury, in 1845, and his LL. D. degree in 1888. In 1856 he was admitted to the bar of the supreme court of Indiana. From 1862 until 1890 he was engaged in publishing work, being connected with several Methodist publications.

The DePauw Alumni record gives his life work in the following:

"From 1862-65, assistant editor of The Methodist, New York; 1865-70, associate editor of the Brooklyn Daily Union; 1870-77, assistant editor of The Methodist; 1879-1900, translator to and assistant editor of the Popular Science Monthly; since 1890, department contributor to The Christian Advocate, New York; 1890-1903, member of the Quill Club, New York; since 1894, member of Board of Trustees of the Plainfield, N. J. Public Library, and 1894-1900, a special committee to select industrial mechanical and scientific books for the Babcock Scientific Library (a special department thereof, for which \$10,000 was bequeathed); contributor for thirty years of articles on current ecclesiastical history and archaeological research for "Appleton's Annual Cyclopaedia;" contributor to Bishop Simpson's "Cyclopedia of Methodism;" contributor to Kiddle and Schem's "Cyclopedia of Education" (1877) and to their "Year Book of Educa-

BURNED AND ITCHED BADLY

Burn Was Sore and Ulcerated, All Red and Inflamed. Suffered Terribly. Could Not Sleep for Two Weeks. Used Cuticura Soap and Ointment. Arm Healed Nicely.

539 Lincoln Park Blvd., Chicago, Ill.—

"A year ago I received a very severe burn on my left arm. I caught cold in it and it was all sore and ulcerated. The sore was as large as a silver dollar. It was all red and inflamed and had pus running out of it. I suffered terribly from burning pain; could not sleep for two weeks it burned and itched so badly. I applied — Salve. — Salve and a salve my druggist recommended as his own, but got no relief. I then commenced using the Cuticura Soap and Ointment. I bathed the burned parts with Cuticura Soap and applied the Cuticura Ointment on a linen bandage. I got relief from the first and my arm healed nicely. I was soon able to be at work again. Had I used Cuticura Soap and Ointment at first I would have avoided lots of suffering." (Signed) Harry Junke, Mar. 9, 1912.

If you wish a skin clear of pimples, blackheads and other annoying eruptions, hands soft and white, hair lustrous and glossy, and scalp free from dandruff and itching, begin to-day the regular use of Cuticura Soap for the toilet, bath and shampoo, assisted by an occasional light application of Cuticura Ointment. Sold throughout the world. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

Mr. and Mrs. Wilbur Starr, who have closed their concert season, and who are here the guests of Mr. and Mrs. Frank Donner, will leave Friday for their summer home at Bay View.

Mrs. Spurgeon, who has worked for Dr. and Mrs. W. W. Tucker for the past twelve years, will leave tonight for Louisville, Ky., to make her future home.

Professor R. A. Ogg has returned from New Albany, where, on Sunday, he delivered two addresses in the interests of the Anti-Saloon League. For eight years Professor Ogg was principal of a high school in New Albany. On Monday afternoon a number of his former pupils entertained in his honor. The event was at the home of his former pupil, Miss Clark, now city librarian at New Albany. The event was a most pleasurable one for Mr. Ogg.

KANSAS WOMAN WHO SUFFERED

From Headache, Backache, Dizziness and Nervousness, Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Lawrence, Kans.—"A year ago I was suffering from a number of ailments. I always had pain and was irregular. During the delay I suffered a great deal with headache, backache, dizziness, feverish spells, nervousness and bloating. I had been married nearly three years. I took Lydia E. Pinkham's Vegetable Compound and now I feel better than I have for years. I recommend Lydia E. Pinkham's Vegetable Compound to all who suffer as I did."—Mrs. M. ZEUNER, 1045 New Jersey Street, Lawrence, Kansas.

Montana Woman's Case.
Burns, Mont.—"Lydia E. Pinkham's Vegetable Compound cured me of awful backache which I had suffered with for months. I was so weak I could hardly do my work and my head and eyes ached all the time. Your Compound helped me in many ways and is a great strengthener. I always recommend it to my friends and tell them what a grand medicine it is for women. You may use my name for the good of others."—Mrs. JOHN FRANCIS, Burns, Montana.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as those above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for years.

TAFT POSTOFFICE

BLANKET LIFTED

WASHINGTON, May 7.—All fourth-class postmasters, except those paying less than \$180 a year, were thrown open to competitive examinations by an executive order issued by President Wilson. These positions are retained in the classified service, but about 50,000 incumbents, who were "covered" in the classified service by executive orders of previous administrations, will have to meet all comers in competitive examination in order to hold their positions with civil service protection.

In making this order, Postmaster General Burleson announced that it was the purpose of President Wilson and himself to extend the classified service to include presidential postmasters of the second and third classes, probably within a year.

May Require New Law.

This may require legislation by congress, he said. His plan, which will be laid before the President soon, would provide for a qualification test for incumbents "in keeping with the importance of the offices."

Under President Taft's order of Oct. 15, 1912, fourth-class postmasters were divided into two classes, Class "A," those drawing more than \$500, and Class "B," those drawing less than \$500. Competitive examinations were prescribed for future applications for Class "B" positions were to be filled upon recommendation of postoffice inspectors. Today's order leaves only the offices paying \$190 or less to be filled upon inspectors' reports.

Taft Rule Falls Short.

In his statement the postmaster general said: "I feel that President Taft's order of Oct. 15 last did not go far enough in that it failed to apply a merit system to the entire service it aimed to cover. It had the effect of placing within the classified service a large number of postmasters who have not been required to demonstrate their fitness for such appointments."

"If left in this condition and permitted to operate without proper examination into its workings the order would make honest civil service a farce and prove a setback to its proper administration and future progress."

The Greencastle office ranks in the second class, while Cloverdale and Roachdale have third class offices. The fourth class offices in the county are: Fillmore, Bainbridge, Reelsville, Putnamville, Belle Union, Russellville and New Maysville.

Excursions This Summer.

Practically all the railroads and interurban lines in Indiana this summer will run excursions. The Monon will run excursions between here and Chicago and here and Louisville. None of the railroads have made a formal announcement of excursions but it is generally understood that they will. Last year the railroads entered into a compact and agreed not to run excursions.

Serious Runaway.

While Otis Terry was driving a team attached to a disney harrow for Ira Goodrich on Wednesday last week, the harrow ran onto the horses' heels, which started them on a run across the field. Otis managed to retain his seat and pluckily held on to them for some time in a vain endeavor to stop them, but was finally and luckily thrown backward. The team ran on with the disc cutting their legs at every jump until one fell exhausted from loss of blood. Both horses were horribly lacerated and one had to be shot, the leaders and muscles in its hind legs having been separated. It was a narrow escape for Otis, and the loss of a valuable horse to Mr. Goodrich, just at the busy season will be a serious one to him.—Coatesville Herald.

INSISTS THAT WOMEN ARE GOOD MANAGERS

Mrs. McWhirter Delivers Stirring Address at Meeting of Twelfth District Federated Clubs.

AUBURN Ind., May 7.—"Women should be factory inspectors, serve on the school boards and on insanity commissions, visit poorhouses as well as colleges," was the declaration of Mrs. Felix T. McWhirter, of Indianapolis, state president of Federated Clubs, in her address before the Twelfth District meeting of Federated Clubs.

Mrs. McWhirter insisted that women can do things and, to clinch her point, she referred to Mrs. Bacon, mother of the housing law, and told of her travel over the state creating sentiment, of steering the measure through the last Legislature and of her recognition by the wife of President Wilson at a gathering at Washington, D. C., and of her greeting as an Indiana woman who had done something.

Mrs. McWhirter held the rapt attention of her vast audience and was repeatedly applauded as she attempted to raise the standard of woman and pleaded for the conservation of childhood.

"Club women," she declared, "should be good mothers."

Mrs. Carrie Scott of Indianapolis scored a success in her talk on "Literature for Children." "Children's books should give right ideas of life, cultivate the imagination and lay the foundation for a good literary taste and appreciation in the years to come," she reasoned.

Auburn is just beginning to awaken to the fact that there is a company of women in the city who "do things." It was the first gathering of this kind in the city's history, and for the first time the people are really stirred by the aggressiveness of the women along practical lines.

Robbery at Coatesville.

The Coatesville Herald says: "About the time we begin to think Coatesville is an ideal community, something occurs to jar our faith and spoil our dreams of the 'universal brotherhood of mankind' in this vicinity. An incident of this kind happened last Saturday night, when a thief broke the glass out of the rear door of the W. A. Wyatt harness shop and carried off about \$60.00 worth of harness goods. Mr. Wyatt discovered the fact when he visited his shop Sunday morning. The thief evidently had a rig in the alley, for his loot was too heavy to carry on his person. It is a sad commentary to think we have anyone in this community who will commit such a dastardly deed. Mr. Wyatt is a poor man and the loss is severely felt. It is the only theft of this character that has occurred in several years and it is to be hoped that the perpetrator will be found out and brought to justice."

BIG FOUR BRAKEMAN IS MASHED BETWEEN CARS

J. E. Swope, of Terre Haute, a Big Four brakeman, was injured at a Big Four switch, just west of Greencastle last night, when his leg was caught between two freight cars and badly mashed. The accident occurred at near midnight and the local Big Four physician was called to dress his injuries. Later he was sent to his home in Terre Haute. Although painful, the injuries are not considered serious.

Swope was climbing down off of a car when it bumped into another car. The drawbar was out of one of the cars, allowing them to come close together. The man's leg was caught between the two cars and badly mashed. Luckily the bones of the leg were not broken.

The Airdome will open for the season on Monday, May 19, with the Bryant's Lady Minstrels as the attraction. The theater, which has been remodeled by the addition of a floor, will be open the entire season.

COURT INQUIRY OF EGG THROWING EPISODE

The egg throwing episode at Paragon last Thursday evening was the cause of a number of school children and citizens of Paragon being called before a court of inquiry Tuesday. The investigation was held in the school building before Squire Johnson.

Prof. L. L. Guess, superintendent of the high school, had caused about sixty-eight witnesses to be summoned, most of them pupils of the high school, but only about twenty-five were called to testify. The result of the investigation is not known, but it is understood that the inquiry developed that there is quite a strong feeling against Supt. Guess, especially among the pupils of the high school.

Supt. Guess came here Monday and employed Attorney E. S. Pryor to be present at the hearing as an assistant to the prosecuting attorney and also to take stenographic notes of the testimony.

The incident grew out of the fact that Paul Ross, a member of the senior class, did not graduate, and his friends in the school rather blamed Supt. Guess, although the latter's stand in the matter is understood to have been sustained by the county superintendent and the township trustees.

Last Wednesday night after the close of the commencement, Supt. Guess, his wife, mother-in-law, and sister-in-law, in company with Prof. Haines, of Noblesville, who gave the class address, did not attend the reception to the graduates at the home of P. M. Blankenship, but started from the town hall where the commencement was held, to the home of Prof. Guess in the east part of Paragon. They noticed some one was following them, and in a few moments stones and other things began to be thrown in their direction.

No one was struck, however, until they neared the home of Prof. Guess, when an egg of ancient age landed on the arm of Supt. Haines. No one else was hit. They hurriedly entered the Guess home and a moment later a brick bat crashed through the front door carrying out the pane of glass. Some shots were heard, but it is not known that they were fired at the home of Supt. and Mrs. Guess.

The episode is causing a great deal of talk in Paragon, and the people takes sides according to their interest in the matter.—Martinsville Reporter.

NEW LAW REGARDING MARRIAGE REPORTS.

A new law passed by the last legislature, says:

"All persons authorized to perform marriage shall report all marriages performed by them within three days after their occurrence to the clerk of the circuit court of the county wherein the marriage license was issued, and anyone failing to report shall be fined \$5 for each offense. All records of deaths, births and cases of contagious and infectious diseases shall be kept by the health officers in record books, the forms of which shall be supplied by the state board of health. Any physician or midwife refusing or neglecting to make death, birth and infectious or contagious disease reports as herein provided, or who shall knowingly make a false report thereof, shall upon conviction be fined for the first offense in any sum not less than \$10 or more than \$100 or more than \$50, and any physician or midwife who is convicted the second time of any of the above provisions shall be fined not less than \$50 or more than \$100 and any physician or midwife who is convicted the third time for the violation shall be fined \$100."

CONCERT TRIP FOR HARROLD.

Indiana Tenor Will Sing at Musikverein's Wagner Festival.

Orville Harrold, the tenor, who is to be here June 1 to take the part in the Musikverein's Wagner festival at the Murat theater, is to have a western trip under the direction of Harry Paris, of Muncie, who also was his impresario for his successful trip, taken earlier in the year. Mr. Harrold's services are placed at the disposal of Mr. Paris by Oscar Hammerstein, to whom he is under contract. This tour for Mr. Harrold will include concerts in Kansas City, Mo.; Wichita, Wellington, Topeka, Emporia, Lawrence, Newton, Hutchinson, and Chanute, in Kansas; Bluffton, Indianapolis, Crawfordsville and Muncie.—Indianapolis News.

Mr. Paris is a former resident of Greencastle, having been born and reared in this city. Mr. Harrold also is known by Greencastle people, having sung here recently.

Monon Construction Gang Busy.

The Monon Construction gang has about completed the rebuilding of the grade between Bloomfield and White river which was badly damaged during the recent high waters.

For some time the railway engineering department of the University of Illinois has been collecting pictures, relics and models, illustrating the historical development of the railroads, and representing also current practice. This material forms a permanent exhibit in the new transportation building and will be added to from time to time.

ROCKVILLE CITY COUNCIL ORDERS STREET OILING

The city council of Rockville has taken the oiling proposition in hand and has advertised for bids for oiling several of the principal streets of the town. It is estimated that it will require 10,000 gallons of oil to do the work laid out by the council. Advertisements for bids on the work were made this week.

EDWARD R. RAWLS DEAD.

Native of Indiana Long Prominent in Methodist Ministry.

Word has been received from New York of the death, in that city Wednesday of the Rev. Edward Barrett Rawls, fifty-seven years old, a native of Indiana and long prominent in the Methodist ministry. He had gone to Europe on a vacation and while in London suffered a stroke of paralysis, following which in order to be with relatives and friends he sailed for home at once and was taken to a hospital where he died.

Mr. Rawls was born July 16, 1851, at Connersville, and graduated from DePauw university. He filled pulpits at Williamsburg, Indianapolis and Greensburg. For five years he was pastor of Edwin Ray M. E. church, this city and for six years he was presiding elder of the Indianapolis district. In 1909 he was appointed superintendent (presiding elder) of the Connersville district, a position he held for two years. He then removed to Wyoming as superintendent of Methodist Episcopal missions in that state. At one time he represented the church on the book committee, a prominent and responsible position. He was connected with the Wyoming mission at the time of his death.

He is survived by a widow and six children—Percy S., of Colorado; Jane, of this city, a teacher in the Manual Training high school; Robert, of Canada; Elizabeth, a teacher at Wesleyan college; Marion, of Chicago, and Adelaide, who was with her parents.

The body will be brought to this city for burial.—Indianapolis News.

—ooo—

Rev. Rawls was well-known in Greencastle, where he attended DePauw and where several of his children attended college.

PRIN. VAUGHN HAS RESIGNED.

Head of Third Ward School to Take the Superintendency of Cloverdale Schools.

Announcement was made today that Jewell Vaughn, principal of the Third Ward, has been elected to the superintendency of the Cloverdale schools and will take his new position next fall. Principal Vaughn's successor here has not been chosen. Principal Vaughn has taught here less than a year, taking the place of Principal Weatherwax.

Professor L. A. Michael, for the past two years superintendent of the Cloverdale schools, and who is succeeded by Principal Vaughn goes to Roachdale, where he has accepted the position of superintendent of the Roachdale school. Mr. Michael takes his position next fall, and succeeds Superintendent Ralph Himelick.

The announcement of the charges caused no little surprise here, and also in Roachdale and Cloverdale. Mr. Vaughn, who leaves here, is well liked and has made a success in the local school. His leaving Greencastle will be regretted. His resignation of the principalship of the Third Ward has been made and accepted.

Bridge Contracts Let.

The county commissioner met this afternoon and at 2 o'clock let the contracts for three bridges. Chester Pickett, a contractor living near New Maysville, was the successful bidder and was awarded the contracts for the three bridges.

The bridges and the contract prices follow:

Graham Ford bridge, Floyd township, \$774.

Ader Ford bridge, Floyd township, \$875.

John Clark ford bridge, near Fillmore, \$1,400.

APPELLATE COURT REVERSES VERDICT.

The case of Oscar Latham against the traction company, tried in the Putnam circuit court in 1910 and appealed to the Appellate Court, has been reversed. Latham was awarded \$2,450 damages for injuries alleged to have been received when his buggy was struck by a traction car at a crossing just east of Brazil. The case was filed in the Clay circuit court and later venued here.

The Appellate court's ruling in the case follows:

—Interurban Railroads—Duty in the Highway.—

7971. Terre Haute Indianapolis & Eastern traction company vs. Latham. Putnam C. C. Reversed. Lairy J. (1) Where appellee was injured when his buggy was hit by a car from behind, both traveling on the highway, "under our statute it was the duty of appellant, after constructing its track, to restore the highway to a reasonable condition of safety and convenience, in view of the new use to which it had been appropriated, and thereafter it was appellant's duty to exercise reasonable care to maintain it in such condition. It can not be said, however, that the duty is of such an absolute character as to make the company an insurer against all defects," and where appellee claimed the cause of the injury was a defect in appellant's tracks, preventing his escape and the court gave instructions practically making appellant an insurer against defects, it was reversible error. (2) The appellant bears the burden to show a reversible error in the record, all presumptions being in favor of the judgment, but when the error is shown, it rests with the appellee to be able to show that it was harmless.

Local Student is President.

William Block, a member of this year's graduating class of DePauw university, was elected district president of the Delta Upsilon fraternity at a business meeting of the delegates here attending the annual district meeting of the organization. G. C. Ronnenberg, of Wisconsin, was elected secretary.

Friday night the visiting delegates were entertained at a smoker at the Delta U house and this morning at breakfast. Saturday morning the first business session and the election of officers was held. Dr. W. M. McGaughey gave the address of welcome.

NEW HUNTING AND FISHING LICENSE BLANKS RECEIVED

George W. Miles, commissioner of fisheries and game, is sending out the new dual hunting and fishing licenses provided for by the last legislature, and the first consignment has been received by County Hamrick. One hundred thousand have been ordered by Mr. Miles and have been delivered at the state house. This is approximately forty thousand more licenses than have been ordered before. The state commissioner hopes to dispose of at least 25,000 licenses to fishermen of the state, the new law allowing fishermen to angle in the waters of their own counties or adjoining counties without taking out a license. The annual license fee for both hunting and fishing is \$1.

The new law proposed that if a husband and wife go fishing and the husband has taken out a license, the wife may fish without taking out such a license. Dozens of calls for the new license already have come into Mr. Miles' office. Several persons have asked that they be allowed to take out license No. 1. So far no one has taken out a license. The licenses usually are issued from the commissioner's office about September 30. This year the early issuance was necessary because of the dual nature of the licenses.

The penalty for hunting or fishing without a license is about \$20, including costs. All the old hunting licenses will be called in from county clerks. A new set of books is to be opened by the commissioner to handle the records of the new licenses.

WORK ON WATER WORKS WASH. OUT BEGUN MONDAY MORNING.

Work on repairing the gap washed out of the Crawfordsville road just south of the water works hill during the high waters several weeks ago, was begun this morning. John Curran was given the contract for the work by the county commissioners late last Saturday afternoon. He will rush the work and will have the road in a passable condition as quickly as possible.

Mrs. John Cross was here from Brazil, Mo., visiting her mother Mrs. Margaret Beck, who is seriously ill. Mrs. Beck's condition is somewhat improved.

Typhoid Fever at Ladoga.

LADOGA, Ind., May 8.—Four cases of typhoid fever have developed here within the past week. Miss Vergie Malone, who became ill the first of last week, was taken to her home near Jamestown and is reported to be seriously sick at this time. Miss Ruth Sharp and Scott Bell have both been quite ill but are taking a turn for the better. Otto Vancleave became ill last Friday and the doctor has not yet determined whether or not the fever will develop into a case of typhoid or not. The physicians here say the disease is due to the recent high waters and declare that in all probability there will be several cases of typhoid if people do not use care in the selection of food and drink.

SAYS BEDFORD "COPS" ROBBED HIM OF \$600.

BEDFORD, Ind., May 8.—A petition, signed by five hundred men employed in the stone industry here, was presented to the city council at its last meeting, asking for an investigation of the alleged robbery of Alex Swanson, while under arrest. Swanson was taken into custody several weeks ago by Policeman Clark and Cline, and placed in jail. He had drawn \$600 from the bank and says the officers took the money when they searched him.

Since the alleged robbery Clark has left the city and no one seems to know where he is. The incident recently caused a quarrel between Prosecutor Underwood, Mayor Albert Field and David Torpy, a friend of Swanson, and the mayor was cut out on the arm. Torpy is under \$1,000 bond and his trial on a charge of assault with attempt to kill is set for the September term of the circuit court.

CASE SENT TO GRAND JURY.

Woltz Land Suit Transferred From Police Court.

William H. Woltz, implicated in a series of alleged "blue sky" real estate deals, was sent to the grand jury from police court Thursday on a charge of grand larceny, and alleged conspiracy of defraud. Woltz was accused by Henry Meyer, of Greencastle, of having traded him land in Arkansas, which did not exist.

Attorneys for Woltz have made an effort to obtain abstracts showing his ownership of land in the south. His case was continued several times by Judge Collins to give time to produce the abstracts in court. Following his arrests, Woltz jumped his bond, and later was rearrested.

The grand jury is now investigating the alleged real estate frauds in connection with which two other men have been bound over from police court.—Indianapolis News.

LOT FOR NEW ROACHDALE LIBRARY IS PURCHASED

A deal was completed last week by which the Town of Roachdale became the owner of the Thompson real estate on the corner of Washington and Meridian streets, which will be used for the Carnegie library building. Bonds to the extent of \$1,400 were issued and sold to Roachdale bank, in payment of said library site. J. W. Hennon has completed the plans and specifications and they have been approved by the Carnegie Commission.

The local library board are to be congratulated on the manner in which the preliminaries and "red tape proceedings" have been handled and before the snow flies the people of Roachdale, Franklin and Jackson townships will have the use of an adequate library.

MONON WRECK TRAIN IS DERAILED

While enroute to Orleans Saturday morning following a call from that place after two cars had been derailed on the main track of the Monon, the wrecker from Bloomington that passed through here at 10:25 to replace the derailed cars, delayed traffic on the line for several hours today, one pair of trucks on the derailed car in that train leaving the rails at Sandpit about three miles south of this city. The first word of the accident reached this city through a telephone call from the conductor of the wreck train to the Monon passenger station and a freight engine that was here was hooked to a caboose and section men were taken to the scene of the accident about 11:45 and the derailed trucks were replaced.

Other than the delay caused little damage resulted from the accident and no one was injured. North bound passenger No. 5 got around the derailed cars at Orleans by using the house track at that station, but were unable to pass the wrecker at Sandpit until the derailed truck was replaced.—Bedford Democrat.

Minutes Mean Dollars

IN TREATING ANIMALS
Doubtless you know the danger of delayed treatment of colic and other diseases. You also realize that the remedy applied is often worse than the disease itself. In other words, not to diagnose a disease accurately may prove fatal. Every owner should be able to recognize an ailment and give prompt treatment at the first symptoms. Prompt action is the great secret of treating horses.
Minutes mean dollars.
Of course proper treatment is always necessary. That is just how Humphrey's 22 page Veterinary Manual will prove so valuable to you. It is by F. J. Humphrey, M. D., V. S., and teaches how to diagnose and give proper treatment.
This book will save you hundreds of dollars and costs you nothing. It will be sent absolutely free in order to introduce Humphrey's Veterinary Remedies. Remember, it is absolutely free. You do not have to order any remedies to secure the book. Address, Humphrey's Remedies, 126 William Street, New York City. This is a splendid opportunity to obtain a veterinary treatise that you should have in your library. As a reference work you will find it invaluable. To have it in the time of need will be worth many dollars, whereas it will cost you but a word by writing for it now.

MOSS WANTS ON RIVERS AND HARBORS COMMITTEE.

WASHINGTON, May 10.—With the ways and means committee getting in readiness to assign the members of the Indiana delegation to standing committees for the Sixty-third Congress a spirited contest has developed in the delegation over a place on the rivers and harbors committee.

It probably will be a month before a decision is reached and meanwhile the three Indiana contestants will be very much in the limelight. The Hoosiers who are struggling for representation on this great committee are Representative Lieb of the First District, Representative Moss of the Fifth and Representative Peterson of the Tenth.

The retirement of Representative Boehne from Congress leaves the Ohio River without direct representation on the rivers and harbors committee. That this great artery of navigation and commerce, which is now undergoing improvement, is entitled to a place on the committee is contended by Representative Lieb, whose district is one of those abutting on that part of the Ohio which is yet to be improved in accordance with the plan for a nine-foot stage. Representative Cox of the Third District and Dixon of the Fourth District also have special interest in the Ohio River project, but neither is a candidate for a place on the rivers and harbors committee. Dixon is a member of the ways and means committee which is now wrestling with the problem of appointing the standing committee.

Representative Moss has a special reason for wanting to go on the committee on rivers and harbors. He is hoping for that assignment in order to be able to "take care" of the proposed improvement of the Wabash River between Terre Haute and its mouth. This is an improvement that is greatly in demand in western Indiana and the public-spirited business and civic organizations of Terre Haute have taken the lead in trying to bring it about. If the army engineers decide against the improvement before the standing committees are framed it is likely that Mr. Moss' candidacy will drop out of consideration.

THE COLLEGE AVENUE IMPROVEMENT TALKED OF.
During the past few days there has been considerable talk among the residents of College Avenue of the proposed repair or improvement of the street. Some weeks ago the agitation was first started. The university authorities inquired into the matter in view of building new sidewalks along the college grounds facing on College avenue. The council informed the university people that if they built a new sidewalk, which they did, that the improvement as far as sidewalks is concerned would not be ordered. The university then rebuilt brick. However, this did not help the deplorable condition of the street. The talk now prevalent among the residents is of having the street resurfaced. The improvement should it be made as the residents seem to wish it, would consist of practically a new street and for new sidewalks, cement or brick where they are needed. It is probable that the matter will be taken up with the council soon.

RIDPATH'S WORK GIVEN RECOGNITION.
BLOOMINGTON, Ind., May 11.—"Who's Who of Indiana Literary People" will be the title of a book which will be contributed to the Indiana centennial celebration by E. V. Shockley of the history department of Indiana University. The book will contain information concerning 900 persons of literary note who are the product of the state of Indiana. The following comes from the material prepared for the book:
"Among the Indiana writers of present-day note will appear the names of George Ade, the dean of American slang; Lew Wallace, author of Ben-Hur; James Whitcomb Riley, the Hoosier poet; Anna Fells Johnson, the great writer of child stories, and John T. McCutcheon, writer and cartoonist.
All are the best in their respective lines to be found in the country today. One of our best-known Indiana writers is Mrs. Juliet V. Straus, who writes under the name of "The Country Contributor."
"Among the novelists of the day none are better known than those from Indiana, among whom are George B. McCutcheon, Booth Tarkington, Charles Major, Meredith Nicholson and Edward Eggleston.
"Another well-known novelist who hails from Indiana is David Graham Phillips, whose magazine stories are widely read. We have truly a distinctive character in Kin Hubbard,

the humorous philosopher. If one reads the Review of Reviews advertising section he will see Ridpath's history of the world, which is the work of an Indiana man who was formerly a professor of DePauw. This piece of work makes the name of this Indian one which will long be remembered.
"In Indiana we have the author of a book which has been sold more widely than any other novel of today. The name of the author is Jene Stratton Porter and the book is the well-known "The Harvester." Mrs. Porter started out in life to be a naturalist and today is a writer and photographer for an Eastern magazine of outdoor life."
The work which the university is to do in connection with the coming centennial is a great one and the books which will be contributed at that time will be a valuable addition to the histories of the state of Indiana.

IF WOMEN ONLY KNEW.

What a Heap of Happiness it Would Bring to Greencastle Homes.
Hard to do housework with an aching back.
Brings you hours of misery at leisure or at work.
If women only knew the cause—that
Backache pains often come from weak kidneys.
"I would save much needless woe."
Doan's Kidney Pills are not weak kidneys.
Read what a Greencastle citizen says:
Mrs. W. H. Johns, 403 N. Indiana St., Greencastle, Ind., says: "Several years ago I suffered from sharp twinges through my hips and sides and felt languid. A friend advised me to try Doan's Kidney Pills and I procured a supply. They gave me instant relief and improved my health. Another member of the family derived great benefit from Doan's Kidney Pills."
"When your back is lame—Remember the name." Don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Johns had—the remedy backed by home testimony. 50c all stores. Foster-Milburn Co., Props. Buffalo, N. Y.

DELTA SPEAKERS RAP HIGH SCHOOL "FRAT"

Declaring it had been his observation that prohibited high school fraternities encourage in their members a disrespect for law, Dr. Justin N. Study, superintendent of schools of Fort Wayne, said at the Indiana state dinner of the Delta Tau Delta Fraternity at the Board of Trade Building last night that he hoped the forty-second annual Karnea at its meeting here in August would declare against the admission of high school fraternities into the Delta Tau Delta Fraternity.
He said that the high school fraternity is objectionable because it encourages undesirable cliquishness in boys, upsets the democracy that should prevail in the public schools, leads immature boys to form unnatural friendships, encourages upon the influences of home, induces extravagance, and where maintained in violation or evasion of law, or the order of school authorities, encourages disrespect for the law.
The college fraternity, on the other hand, he declared, serves to form desirable associations among members and provides a surrounding that the students need because of the lack of home ties. Dr. Study is a member of Mu Chapter, Delta Tau Delta, at Ohio Wesleyan University.
Max Ehrman, DePauw, '94, declared that every man owes it first to society to make his living and then to do something for humanity on the margin of his time. He advised his hearers to let the spirit of the fraternity embrace all with whom they come in contact.
Other speakers at the dinner were Edward H. Clifford, Butler College, '93; Robert W. McClaskey, Indiana University, '14; Brandt C. Downey, Wabash, '96; Cecil G. Appleman, DePauw, '13; Jessie I. Pavel, Butler, '13; Charles P. Coleman, Wabash, '14; Clarence Humphrey, Cincinnati, '75; George Stockton Lehman, Purdue, '15, and Harry G. Hill, Bethany College, '97.
About 125 members of the fraternity attended the dinner. Special vaudeville "stunts" were presented by various Indiana chapters and it was voted that a burlesque on "The Traveller" by members of the DePauw Chapter should be presented at the national convention, or Karnea, which is to be held at the new Hotel Severin Aug. 28 to 30.
Alfred H. Johnson, Hillsdale Mich., '71, presided as toastmaster. The dinner was arranged by Charles H. Mackelfresh, John C. Carr and John E. Spiegel—Indianapolis Star.

GALA WEEKS FOR THE HIGH SCHOOL

Festivities in high school circles will run rife during the next few weeks; between now and May 30, which is the last day of the 1912-13 school year. Class day exercises, graduating exercises, and the attendant festivities are being arranged. Dates for the commencement exercises, the baccalaureate sermon and class day have been set.

The senior play, "She Stoops to Conquer," will be given on the night of Monday, May 26. The cast for the play, under the direction of Professor Pfaff, is practicing daily. The play, which was written by Oliver Goldsmith, is a five-act drama.

The following is the cast chosen for the play:
Men.
Sir Charles Marlow Young Marlow, his son Maurice Sharp
Hardcastle Daniel Byrkit
Hastings James Crouch
Tony Lumpkin George Grubb
Diggory Glenn Shoptaugh
Landlords, servants, etc.

Women.
Mrs. Hardcastle Eugenia Pickett
Miss Hardcastle Frances King
Miss Neville Genevieve Moore
Maid Katie Coble
The play probably will be given in Meharry Hall, although this point has not been definitely settled.

Next Monday night the high school glee club and high school orchestra will give a concert in the College Avenue church. The concert will be under the direction of Professor Barnum, of the DePauw School of Music, and Miss Patterson, music instructor in the high school.

May 23 will be class day, and the class day exercises will be held in the high school building at 9 o'clock in the morning. The commencement issue of the Busybody the official high school booklet, will be distributed that day.

The baccalaureate sermon will be preached on Sunday morning, May 25. The commencement exercises will be held on May 31. The speakers for the events have not been chosen.

The examinations for the seniors will be held next week. The other classes of the high schools will not be held until the following week.

BODY WAS NOT RIDLEN'S.

Indianapolis Dentist Examines Teeth of Dead Man at Delphi.

LADOGA, Ind., May 12.—Relatives here have been notified that the body of the man which was recovered shortly after the flood from a stream near Delphi is positively not that of Cumberland C. Ridlen, who disappeared so mysteriously from Indianapolis last March. Relatives had made an examination of the Delphi body several days ago and decided that it was not that of Cumberland Ridlen. As no one else came to claim the body at Delphi and as there was a strong similarity in the appearance of the Delphi body and that of Ridlen it was decided last week that Ridlen's dentist at Indianapolis and Charley Ridlen, a brother of the absent Indianapolis man, went to Delphi on Saturday to see if the body was that of the missing Indianapolis man. The dentist had a chart of the repairs he had done on the teeth of Cumberland C. Ridlen. Using this he made the examination and now declares positively that the dead man at Delphi is not the missing Indianapolis man.

Mr. and Mrs. Thomas Hamrick, of Clayton spent Sunday here with their son, A. J. Hamrick and wife.

The Rev. G. H. L. Beeman of Greencastle, Ind., field secretary of the National Reform Association, addressed two large congregations, and spoke in several Sunday schools in Terre Haute Sunday. Mr. Beeman addressed the morning congregation at the Washington Avenue Presbyterian Church on the subject, "A Present Christ," in which he emphasized the kingship of Christ over the nations. Secretary Beeman spoke at the Mattox Methodist Church in the evening. In his addresses the secretary directed special attention to the approaching World's Christian Citizenship to be held at Portland, Ore., from June 29 to July 6. The secretary in his visit to Terre Haute hopes to arouse interest in the coming conference and induce many Terre Haute people to attend. Brotherhoods, Bible classes, churches and others interested are invited to send delegates.

Attention was called to the coming Christian citizenship institute at Winona Lake, beginning August 1, under the auspices of the National Reform Association. "The Best Citizenship: What It Is and What It Does" was the subject at the Mattox Church. It was an appeal to the Christian men to carry their religion with them into their civil and political relationships and to help clean up national and municipal affairs.—Terre Haute Star.

Pleas for Sewers.

Since—yes and long before—the situation regarding sewer conditions in certain places in the city came before the city council last night, a plea for a sewer system in Greencastle has been made by many of the citizens and merchants. Other nearby towns have them, why not Greencastle? Danville is putting in an adequate sewer system to care for its sewage. And Danville is considerably smaller than Greencastle. But what's the use to argue. The present city council seems determined to give the sewer question a wide berth. Unless some action is forced upon it the council will leave the matter as it now stands. A few suggestions from citizens on the subject might help spur the city fathers to some action.

INTERESTING PROGRAM AT MISSIONARY MEETING

A charming feature of the Tuesday afternoon program at the Woman's Home Missionary Society at College Avenue church was the presentation of the Mother's Jewels under the leadership of Mrs. A. H. Wilkinson.

Miss Dillah Wilson, at the piano, played a stirring march and the Mother's Jewels, some of them mere tots, entered the church, forty in number. They were in white bedecked with flowers and ribbons and bearing flags, executed a pretty drill through the aisles then marched to the platform and sang. They also emphatically declared their principles, waving their flags. They executed a second drill and were recalled to the platforms, retiring amid appreciative applause.

A feature of the program has been the reports from the Queen Esther Circles, the one from Brazil being especially pleasing.

The feature of the evening session was the address by Miss Josephine Corben, national field secretary. Miss Corben is a charming speaker, with a pleasing personality. She is forceful and earnest and with deep consecration delivers her message.

Dean McCutchan rendered two beautiful solos. Prof. Butterfield gave two organ solos and a trio by Prof. and Mrs. Barnum and Mr. Clark were pleasing features of the program.

Wednesday morning at nine o'clock Mrs. Charles Ehrman of Terre Haute conducted the "Morning Watch." Dr. Gobin was introduced and spoke briefly, much to the pleasure of the visiting ladies.

Mrs. Sedwick, of Ben Davis, rendered a vocal solo and Mrs. T. L. Hodgens of Terre Haute conducted a map drill of homes, schools and hospitals. Mrs. Secar conference president, addressed the morning session.

Miss Corben gave a string address on settlement work, speaking especially of conditions in Gary, Ind. noon the ladies of the local auxiliary served luncheon in the parlors of the church.

The afternoon convocation was held at 2 o'clock. A vocal solo was rendered by Mrs. Cooper of the Centenary church. Terre Haute, Max Dorsey of Terre Haute made a fine report on young people's work. Election of officers and a talk on the "Quiet Hour" by Mrs. Bent Wilson of Lafayette was followed by adjournment. Mrs. Ostrom served tea in the church parlors and the delegates departed for their homes.
